Lone Pine Peak, south face, Mountain Devil Dike

California, Sierra Nevada

In August, Brad Wilson and Dulcinea Groff established a six-pitch route on the south face of Lone Pine Peak: Mountain Devil Dike (900', III 5.12d). The route begins on the first two pitches of the Michael Strassman Memorial Route and then climbs four new pitches (5.10–5.12) up a prominent dike on the face. More info at MountainProject.com.
