Marian Peak, South Face, Mater Dei

New Zealand, Darran Mountains

Ben Dare and Daniel Joll, who did the first ascent of the south face of Marian Peak (2,102m) in March 2013, added a second line on the left side of the 1,000m face on February 7, 2014. Mater Dei (20) shares the same start as the 2013 route through a lower buttress and then branches left to climb the upper face. The route required 20 pitches.
