Motutakae, West Face

Marquesas Islands, Ua Pou

In April 2013, Andrew Burr, Mason Earle, Bronson Hovnanian (all USA) and George Ullrich (U.K.) climbed an eight-pitch new route (5.10+) up the steep west face of this seaside spire. The tower was first climbed via the lower-angle north ridge by a German-Marquesan pair (1988).

Information from **Climbing 330** and **Mason Earle**
