Aiguille de Fleur, Russian Ties

Colorado, Rocky Mountain National Park

Michael Goodhue and Vincent Keller climbed a new line up the east face of Aiguille de Fleur on the west side of the Park in July. The six-pitch Russian Ties (III, 5.10 R) is in the center of the face, between the original east face route (Hodge-Troute, 1974, to the right) and Eastern Roofs (Kilgore-Sambataro, 2011).
