### **Cerro Cohete, East Face**

Chile, Northern Patagonia, Región De Los Lagos

**Cerro Cohete is in Cerduo Alto, which is about 30 minutes southeast of the town of Pucón and just north of Volcán Villarrica (2,847m).** The approach is both easy and beautiful. I started opening a route on the east face with my brother Juan Señoret and finished the climb with my friend Andres Zegers. The route is eight pitches and 5.11d R.
