### **Breidtinden, Finnjåvel**

Norway, Senja

**On February 19**, Juho Knuuttila and Sami Modenius climbed Finnja vel (450m, M5 R 90°), a new route up the northeast face of Breidtinden (1,001m), leading directly to the main summit. The route is to the left of the “Scottish Wall,” which holds a number of 400m to 600m routes that end on the ridgeline.
