Puscanturpa Este, Galdu Eta Irabazi

Peru, Cordillera Huayhuash

On June 10, the Basque team of Aritz Aparicio, Ander Uria, and Urko Zabala climbed a new line up the north side of Puscanturpa Este (ca 5,440m). Galdu eta Irabazi (“Losing and Winning”) had eight pitches, mostly on rock, with cruxes of 7a and 7b. The line is in the same vicinity as the 2012 route Poco Loco (van Beek–van der Smeede–Visscher; AAJ 2013), but it is mostly independent.

—Information shared by the team
